

# Sample Tourism Visions

<p>Seine River First Nation</p>	<p>To create a sustainable tourism industry that is adaptable to our current situation, capitalizes on technology, and conserves our environment. We will use the strength of our culture and our people to help us achieve this vision.</p>
<p>Cree Nation of Mistissini</p>	<p>We will authentically share our culture with the world by engaging in responsible community-based tourism. We will support and develop tourism initiatives that respect our values, preserve our culture, and protect our way of life for the betterment of our nation's people, environment, and economy.</p>
<p>Sagamok Anishnwbek First Nation</p>	<p>Diversifying our economy by investing in responsible tourism development for the well-being of our community culture and environment.</p>
